Said he last week: "The trade balance is still in favor of Canada by about two to one. We don't think we can ever balance this in a rigid manner, but if the gap can be reduced in an orderly, stable basis, it will be beneficial."

THE PICNIC

Canada's Biggest Annual JC Affair Will be Held Rain or Shine at New Location Closer to Home

Toronto's annual JCCA Community Picnic will be held on Sunday, June 30, rain or shine, at Cedar Glen Park.

The new location of the largest annual affair of Japanese Canadians is about 23 miles east of Toronto near Pickering. Don't get lost: clip out the map appearing elsewhere in this issue. The road leading to the park for the last two miles is good—a dirt road, but very well packed.

The ground itself dips down from the road and lies fairly flat. There are 70 acres of grassy hills and plains, bordered and sprinkled with trees, just waiting for all the local JCs and visitors to come and take over. All conveniences and facilities are available . . . pool, swings, miniature golf course. . .

All Issei over 70 years of age are entitled to free tickets to the picnic: those qualified are asked to contact T. Kameoka. Pre-school children are also admitted free of charge. Admission for those between pre-school age and 12 years is 25 cents; for those from 13-69 years, 75 cents.

Return bus fare, in addition, is 75 cents for adults and 50 cents for children. For those travelling by car, the parking fee is $1 (yes, higher than last year, but the shorter distance—a 40 minute drive—will make up the difference), and don't forget to clip out the map.

May Appear on TV'S Wayne and Shuster Show

Samuel Hersenhoren, musical director of the CBC-TV Wayne and Shuster comedy show, was reported to be looking for a samisen or koto player to perform on the June 22nd show. The final show of the season will be on a Japanese theme.

Atsuko Katsukawa (from Japan), a performer on samisen, and koto-player Hope Handa were contacted last week, but due to complications with regard to the local Musicians' Union, it is not definite whether one or the other of the girls will be allowed to appear.

Johnny Wayne and Frank Shuster, Canada's top comedy team, stopped off in Japan while on a tour to entertain Canadian troops in Korea a couple of years ago. Like most of the American visitors, they fell in love with Japan, and have been thinking of using a Japanese theme in their weekly show for some time.

Second Annual Japan Camera Show to be Held June 17-29 at Toronto's Japan Trade Centre

The second annual Japan Camera Show to be held in Canada will go on exhibit at the Japan Trade Centre, 83 Yonge Street, Toronto, from June 17-29.

The event—which last year drew more than 5,000 visitors—is sponsored by the Trade Centre and the Japan External Trade Recovery Organization.

Many cameras and lenses never before shown in Canada will be displayed at the Show. Japan's famous 8 mm movie cameras, which rival the performance of the best professional 16 mm equipment, will make their long-awaited Canadian debut. The newest fast lenses of Japan will be exhibited including the latest Nikkor and Canon f1:2, f1:1 super speed optics, as well as a full complement of wide angle and telephoto lenses.

Among the many other new products to be shown will be the latest Japanese single lens reflex cameras, twin lens models incorporating built-in exposures meters, and the economy priced 35 mm cameras with deluxe features such as automatic film advance and shutter cocking, in addition to lenses as fast as f1:9.

Theme of this year's show is "Japan's contribution to World Photography." An exhibition of prize-winning pictures entered in Japan's 1956 festival contests—many of them from top Japanese photographers—will be on display.

A fascinating contest will be another feature of the show with valuable Japanese cameras and other prizes from Japan going to winning contestants.

Admission to the Japan Camera Show is free. Hours will be 10-6 weekdays (Fridays, to 9 p.m.) and 10-2 on Saturdays.

Oldest Man in B.C. Forgets His Birthday

VANCOUVER, B.C. — After 107 years, you begin to forget about birthdays.

When confronted with the news that June 6th was his 107th birthday, the oldest man in Vancouver and possibly B.C. was surprised.

"I had forgotten all about it," Louie Gim Sing, 69 East Pender, said through an interpreter.

Each year Sing becomes more and more convinced it will be his last. "I think this will be the last birthday for me," he said with a smile.

Sing arrived in Victoria on June 25, 1884. He left a job as Hong Kong coolie to be foreman of a Canadian Pacific Railway Chinese crew.

What About the Nisei College Students?

By M. SITARR

Probably there are more Nisei students studying in colleges and universities now than at any other period. Their fields of study are not confined to medicine, forestry, commerce and the like, which were so common at UBC during the pre-evacuation days. Now, pharmacy, geography, literature, art, etc., are represented, although there still appears to be heavy concentration in the engineering and other professional fields. Doors seem to be opening up in many areas and the Nisei are eager to strive and pull themselves up by their boot straps.

Increased prosperity is partially reflected in the number of students acquiring a college education. The younger brothers and sisters are getting the higher education which was denied to their elders. Some Nisei are working their way through college with part-time jobs and summer employment.

For the Nisei, higher education and professional training seem to be the royal road to "success". Therefore, if they can manage it financially they are crowding into colleges and universities from coast to coast.

A sprinkling of Nisei have even reached the highest of all degrees, the Ph.D. Unfortunately the mere possession of college degrees at any level will not insure the most desirable traits of good citizenship and leadership. The Nisei population in general should not let a glib-talking college grad dominate the Nisei scene. Just because a Nisei has an M.D. or an M.A. in architecture, it doesn't mean he is capable of adequately handling immigration problems, although he might be. But so might a Nisei working in a restaurant without a high school education.

A count of the Nisei college students reported in The New Canadian in the last few issues (May 22, 25, 29, June 1, 5 and 8) indicated 101 students. It was very surprising to note that approximately 18 per cent of them were required to take supplemental examination or pass some course or other. If this can be taken as an indication of the trend of Nisei college material, it does not sound so good. When money is available even the intellectually poorer student can go to college.

In an educationally conscious society such as ours, a Nisei with a college education is generally looked up to, but we must not be blinded by the halo effect. We must choose our leaders carefully. Also the college graduate has a greater responsibility thrust upon him. In the final analysis, his college success can only be measured in terms of his contribution to society.

Top Three Win Again; TNBL to hold Benefit Dance

Last Sunday, in the Toronto Nisei Baseball League, Regent Press, Main Auto and Hamilton all went on their winning ways as all three won their second straight game.

REGENT 13-BUSSEI 6

At Christie Pits, the free-wheeling Regent Press continued to overpower its opponents, pounding out a 13-6 victory over Busseis.

Trailing 6-2 going into the bottom of the fourth inning, Regent took quick advantage of Bussei miscues to take the lead by scoring six runs in the fourth, and they iced the game by counting four more in the fifth.

Regent were again led at the plate by Sumi Tomihiro who collected a double and single. Winning hurler Vic Kitamura also had a double and single while Tom Sumi garnered two hits and Ken Ikeda a double.

Hustling Maw Uyenaka got two hits for Busseis while Tad Nishimura shot out a double.

MAIN AUTO 14-FLYERS 3

Main Auto kept up its winning ways by slaughtering the hapless Christie Flyers 14-3 at Stanley Park.

Fireballing Sah Seki gave up only two hits to gain victory for Main Auto. He struck out six and was in trouble only in the fourth when he ran into control difficulty, allowing four walks that scored two Flyer runs.

Main Auto utilized timely hitting and Flyer miscues to pile up its gigantic score, counting two in the first, five in the second, two in the third and five in the fourth.

Slugging Shin Taira led Main Auto at the plate as he drove in four runs with a homer and triple. Bobby Miwa and Doc Tomihiro also chipped in with two hits apiece.

George Anzai with a single and Key Tanaka with a triple were the two Flyer batsmen to collect the hits for Christie.

HAMILTON 11—YAMADAS 5

The hustling Hamilton team continued its fine showing in winning their second straight game, an 11-5 victory over Yamadas.

Leading by a fairly close score of 5-1 going into the top of the fifth, Hamilton broke the game wide open by scoring six runs in the fifth on three-run homers by Herb Morino and Kaz Ishii.

Yamadas failed to take advantage of the breaks that came their way and they lost their opportunities when they couldn't bunch any of the 12 hits that they collected off the offerings of Bill Matsui.

Besides the homers by Morino and Ishii, Hamilton was sparked at the plate by Kaz Nishimura and Ted Sekine who garnered two hits apiece.

For Yamadas, Sam Kobayashi pounded out two triples while Toki Kamino, Stan Nishimura and Izumi punched out two hits apiece.

Hamilton—Matsui and Ishii.
Yamadas—Wakabayashi, (5) Izumi and Nishioka.

Van Nisei Play One a Day; Win One and Drop Two

NISEI 12-BOILERMAKERS 6

VANCOUVER, B.C.—On June 8, the Vancouver Nisei coasted to an easy 12-6 win over the league-leading Boilermakers. Up to this game, the steam-men had won four in a row to slip past the CYO crew by half a game. They're both now tied for top spot.

Nisei got off to an early start as they ran up a 6-0 lead by the end of the second. Twenty-year-old but fast-balling Al Parks who stands 6'6" was wild which aided the Nisei cause. Nisei got to him for two more runs in the fourth and added four more insurance tallies in the sixth. Merv Franks, Nisei pitcher, although touched for nine hits, two of them homers, breezed to his second win. The steam-men bunched five hits in the fourth to score three runs and picked away at the Nisei lead in the fifth and two more in the sixth.

Leading the Nisei's nine-hit onslaught was rookie Tad Koyanagi who is currently hitting at a .400 clip with three singles, Tahara with a double and bunt single and Ken Homma with two hits.

FIREMEN 6-NISEI 5

On Sunday, June 9, the Nisei lost a close postponed contest to the lowly Firemen 6-5.

George Fukuyama with only two days' rest started but he just didn't have his stuff as he yielded five runs to the Firefighters in the third after the Nisei had taken a short-lived 2-0 lead in the second. Sus Chiba, a newcomer from Vernon's Junior ball, relieved Fukuyama in the third, but in the fourth he loaded the bases on walks.

Manager Kika called upon Tahara who held the hose-men at bay till the fateful seventh. After the Nisei had come from behind to tie the score at five-all, Tahara on top of the seventh gave up a home-run ball to lanky first-sacker Nordby which proved to be the winning run.

Azu Oikawa, back after three games' absence, led the Nisei with a double and a single.

BRIDGEMEN 2-NISEI 0

On June 10, playing their fourth game in five days, the weary, spiritless Van. Nisei lost to Western Bridge 2-0. They're both tied for fourth and last playoff spot.

Kumi Okamoto, a 17-year-old newcomer from Japan used sparingly as a utility infielder up to now, pitching his first game looked very good and sharp. He deserved a better fate. After a shaky start giving up two runs in the first, he held the Bridgemen scoreless the rest of the way.

The Nisei had a golden opportunity to start a rally in the fourth with the bases loaded and none out. But Tahara on third got caught off on a hidden ball play. That cut short what could have been a big rally. Only Nisei hitters were Elmer Mori with a double and a single, Kumi Okamoto and Dan Okano with a pinch-hit single.

Kitaura Sparks Rutland To Hard-fought Victory

By GENNY OHASHI

RUTLAND, B.C.—A veteran Nisei speedster sparked his home-town Adanacs to a hard-fought uphill 13-6 victory over Revelstoke Spikes in a regular B.C. Interior Baseball League game played at Elks Stadium, Kelowna, on June 9, under unsettled weather conditions.

A sparse crowd witnessed hustling Jim Kitaura (who was lured out of retirement during this 1957 campaign by Manager Art Gray) whack his first official hit in five seasons, pilfer a base, score the tie-breaking marker, and put on a slide show—all this in the sixth frame.

Youthful Mit Koga continued to shine at the hot-corner making a sensational one-hand line-drive catch in the seventh. As a batsman, Mit increased his batting average to .368 (7 for 19) connecting for two singles in four tries.

Regular keystoner peppery Morio Koga playing catcher smashed two bingles in three at-bats and led the Ads in the stealing department with two. Morio currently tops his kid brother in BA with 6 for 16, a respectable .378 mark.

Old-timer Akio Mende enjoyed a perfect day at the plate with 2 for 2, including the lone extra-base blow for Adanacs—a two-bagger which drove in Kitaura for the winning run. Mende, a shortstop, was charged with one of two Rutland miscues.

Pint-size Min Tamagi, playing only his third game, performed a stellar defensive game, making two running putouts in left-field pasture. On the offensive, Min on the basepath for the first time stole one sack, but was hitless for the day.

SHORT SHOTS: Rutland now has a 4W-2L record for the campaign. . . . North Kamloops Mohawks, who suffered a surprising defeat at the hands of unpredictable Merritt Nikolaks 8-3 on June 2 at Merritt, will be invading Elks Stadium on July 21 for a scheduled game with Adanacs. . . . Joe Miyazawa, business manager of Vancouver Nisei, was in attendance at Rutland-Revelstoke contest. . . . A popular Nisei, Suey Koga, made his 1957 debut in Interior Baseball League as an umpire. Suey did an excellent job in covering the bases. One of these days may see him behind the plate! . . . As an added attraction during North Kamloops' visit into Orchard City, if things materialize, local Ogopogoettes will be whipping into shape very shortly for an exhibition softball match with Rock'n Roll specialists from the north. . .

BUSSEI TENNIS

Mich Isozaki and Mush Fukumoto, the two time winners of the mixed doubles defeated Agnes Shimono-Wes Hodgins in the second round 6-2, and Mary Ebata-Don Yokota won over the strong junior team of Kay Takasaki-Ken Miyasaki 6-2, 6-4, in the third round of the Bussei tennis matches at Earlscourt.

In the men's singles, it was hard hitting Aki Koyanagi over Tak Yamamoto 6-4, 6-2, and Mickey Cinicola over Kiyo Fujiwara 6-1, 6-2.

The Bussei Tennis Club welcomed three new tennis enthusiasts, Evie Popenuik and Beverley Tufts, seniors, and Hedy Sakai, junior, into the membership. As we have lost over 200 lady tennissers since 1947 through matrimony and blessed events, we are always happy to coach new beginners to take up the stick. —Fuz

選擧結果

△——今度こそは政權をとるぞと掛聲も勇ましく保守黨は活發な選擧運動を行つている。オ州での大進出は期待されているが八轉しても政權をとるところまでにはいたるまい——と選擧前に本紙は報じた。また今週發行のマクレーン誌も一週間前に印刷したとはいえ、その社説中に「ともかくカナダ人は最も強力なる政府を再び選び、政府に對する信頼を再確認した……」と自由黨の勝利を豫期して述べている。

△總選擧がこんな結果になろうとは誰一人として豫斷した者はない。世論調査でさえ、自由黨への人氣投票の多いことを發表していた

全く大狂せというべきである。しかし、自由黨は議席數を減らされることは内心認めていたところだし、政界消息筋でも、まず二、三十議席を失うとしても、自由黨の再選を疑つていた者はなかつたようだ。

△權力に酔う、ということさがある。二十二年間も恐い者なしでカナダを牛耳ってきた自由黨政府は、しらずしらずのうちにその權力に酔い、我儘を通して平氣になつていたのである。そしてハウ大臣の有名なる答辯「それがどうした。俺達を止める者があるか」という暴言を吐かせるにいたつたのだ。こんな態度が敗因の一つでもあろう。

△パワー・オヴ・バランス(決定勢力)を持つにいたつたシーシーエフ(議席二十五)の今後の動向が注目されるにいたつている。

近事片々

露木　海蔵

△先日、ある公式の會合に出席した。その席では相當の酒が出た。日本での會合には酒はつきものである。夜の東京には酔いどれが多い、そのための誤ちも多い。社會の公安をみだし、他人の氣分を侵害するものではないはずである。

△民主々義を盛んに唱えている日本人が、悪酒をガブ飲みするのは民主々義の根本道義に反している。

△日本では酔っ払いに對しては常に寛大で、たいていは大目にみている。どうも酔っていたので、と頭でもかけば、むしろとがめるのがヤボなぐらいに考えられている。刑法でも「心神喪失中の犯行」で責任を問わないと定めている。

△ところがこんど東京の或裁判所では酔っ払いに痛棒い判決があった。自分が適量を越せばそういう状態になっていることを知っていながら、それを未然に防ぐ注意を怠った重大過失で法の責任を負わねばならないという判決である。

△汽車や近距離電車の中に團体で乗り込み、酒を汲み交わし、大聲でワイ歌を高唱し、また他の乗客に迷惑をかけて平氣でいるものが多い。しかも車掌も見て見ぬふりをしているし、そういう時にタタリを恐れて小さくなっている自分を情なく思うことがある。

△私はこんどの判決を前例として酒のみが天下御免で[illegible]ーキが出来ないように[illegible]

自由黨内閣總辭職は必至

保守内閣の主班にデイフエンベーカー氏

サン・ロラン首相は總選擧で慘敗をうけ、九名の閣僚を失つて支離滅裂の狀態におかれている自由黨政權をこの際潔よく進歩保守黨に讓り渡すことになろうとオタワ政界筋ではみており、十四日、オタワに乘り込むデイフエンベーカー氏と重要會談を行つたのち、總督に自由黨政府總辭職を申出で、保守内閣の主班にデ氏を推すことになろうと觀ている。

傷心の首相決意

大きいショックをうけて傷心のサン・ロラン首相はケベックから特別列車で首都にもどり、記者團をみて『この人達はなにをしているのか』と機嫌はきわめて惡く『私にしてもデイフエンベーカー氏にしても、政局をこのままいつまでも放任することは欲しない』と話し閣僚と會うかとの質問には『誰がここに來ているか知らんよ』とブッキラ棒な返答だ。右腕と頼むハウ通產相はじめ九名の大臣が枕をならべての討死だし、ピアソン外相とマーチン厚生相やピツカースギル移民相ら五大臣だけ殘つた自由黨政府はとてもこのまま押し通して政權持續を計ろうとすることは無理なので、遠かに内閣總辭職の擧に出る決心をしているものといわれている。

サン・ロラン氏を次期總督に?

總理大臣を辭めたのち、サン・ロラン氏をカナダ總督に推薦することになるのではないかと一部政界ではうわさしている。保守黨内閣が成立して、サン・ロラン氏は反對黨主として第一線に立たず、黨主をゆずつて政界から引退する可能性があるので、來年二月で任期がされるマセー總督の後任者として、女王の許可を得るようになるのではないかと取沙汰されているわけである。

斷り狀受けず 林辯護士語る

【東京發】米兵ジラードの裁判に際して林逸郎氏が辯護人に指名されたが、ジラード特技兵が先週末、在米オタワの實兄の進言で林辯護士は斷わつたと發表したが當の林氏は『ジラード氏を辯護するケースから手を引く事について何等文書によつて通告をうけていない』と語つており、このケースについて林氏は岸首相とインタビユーを行うつもりであると發表した。

酒、タバコのまぬ

保守黨主は學校敎師の息子

二十二年ぶりで保守黨の總理大臣になるジョン・デイフエンベーカー氏は學校敎師の息でオ州で生れた。父が轉々と學校を變えたので居住地も定らなかつたが、遂にサスカチワン州に落ちつき、土地登錄官になり、二十八年間も稅關官吏になつていた。十四年間の地方政界入り失敗ののち一九三九年、連邦議會に打つて出てオタワに乘り込み、以來ずつと當選、ドリユー黨主が昨年十一月に病氣で引退ののち選ばれて黨主となつてやつと半年あまり。演說何調や態度は古いがなかなか語氣が強い。酒もタバコものまないクリスチャンで日曜の選擧運動は絶對やらなかつた人である。六一歳

水爆反對の米粒

三百粒を米知名人に贈る

【東京時事通信】原水爆反對のメッセージを細かく書き込んだ米粒がアメリカの有力者たちの手許にとどけられ、世界平和の確立に一役買うことになり話題となつている。細字家は會津若松市の竹中光道さんで、米粒に書いたものを米國に送つて好評をうけた。そこでカンサス州に住む在米日本人の藤田さんという牧師から手紙が舞い込み『アイゼンハワー大統領夫人をはじめ財界、政界の知名人、報道關係者などに贈りたいから原水爆反對と國際親善のメッセージを書いた米粒を三百粒ほど送つて貰いたい』と問合せて來た。竹中さんは自分の藝が世界平和に役立つならと、こころよく引受け、いま製作にとりかかつている。

ク島實驗の灰が 早くも東京に

【東京時事通信】氣象研究所三宅研究室は六月五日から六日にかけて東京地方に降つた雨から一リットル當り每分二千個の崩壞數を示す放射性物質がキャッチされたと發表した。この物質の放射能半減期は十六日で、その弱まり方を示す曲線から逆算して五月十三日の爆發(英國、クリスマス島實驗)による核分裂物質によるものであることが確認されたが、到達までの經路はまだよくわからないという

保守系任命か

上院の欠員を

【オタワ發】デイフエンベーカー氏が内閣を組織することになれば、年俸一万弗で一生任命のカナダ上院百二議席の欠員を充たすことになるだろうといわれる。ます欠員十六を保守系統でうずめ、上院議長も保守黨關係者を任命、また十五万人の土人代表の上議も任命するという。現任上院は七十八名の自由系統に保守はわずか五名、その他三となつている。ドリユー前保守黨主はカナダ高等辨務官として英國のポストにつくかも知れない。

ハウ氏引退

無名の一ハイ校敎師のため大臣二十二年をほこるハウ通產相は、朗らかな表情で今週の閣議のためオタワに到着、記者團に對して『これで自分の政治生活は終止符だ。氣分は朗らかだよ』と失望の色はミジンも見られなかつた。

ピ外相惜まる

【國連發】カナダの國内の政治に無關心であつた國連メンバー國はいま改めて先日の選擧について吟味すると共に、カナダの政治について今後注意することになろう。ハーマショルト事務總長に次いで國連本部で一番知られているピアツン外相がカナダを代表しなくなるとは國連メンバー國は考えてもいなかつたところである。保守政府になればト市のドーナルド・フレミング氏かデフエンベーカー氏が外相となろう。

豐作のイチゴ

値段暴落

既報。晩香坡島およびフレザー・バレーのイチゴは豐作で農者は久しぶりに笑顏がつくられると喜んでいたところ、米國加州およびオレゴン州のイチゴが大豐作のため、國境をこえてどつとばかりにカナダに流れ込んでくるイチゴ値が運賃、稅とともに一斤十仙半という安値でマーケットに現われているのでビーシー產イチゴもやむなく十仙半に値下げ、原價をくずしており、農者は最低十二仙でないとコストが拂わず、十五仙でうすい儲けにしかならないのにと全く靑息吐息の狀態である。外面は見事な加州イチゴに太刀討ちできないローカルものは仕方なく泣値でキャナリーに送つている始末である。

濠州關係戰犯者 全員を釋放

【東京時事通信】外務省が今週發表したところによるとメンジース濠州首相はこのほど岸首相あてにメッセージを送り、濠州關係の日本人戰犯全員(八名)を六月中に釋放することを明らかにした。これにより巣鴨に入所中の日本人戰犯は米國關係六十七名だけとなつた。

北大の中谷敎授 グリンランドへ

【東京時事通信】北海道大學敎授中谷宇吉郞氏はこの夏米國雪氷永久凍土研究所の研究班に參加してグリーンランドに行くため今週羽田發の日航機で渡米した。グリーンランドでの觀測は七月一杯の豫定であるが、日本人が同島へ渡るのは初めてである。

各政黨の 選擧費用調べ

おそくとも今秋には、早ければそれまでに再び總選擧が行われることになろうといわれるが、去る十日の選擧の總費用はいくらだつたかまだ不明であるが、大體の見當は次の通り

△總選擧の總費用はざつと千二百万弗を越える額と見積られているが、このうち三百五十万弗を自由黨本部が使つており、自由黨候補一人當り、平均一万五千弗の選擧費となる見込み。全候補者に本部から四千弗宛の軍資金が與えられ、當選確實の候補者には二万弗、大臣には二萬五千弗が送られた。

△保守黨は當初から節約主義で選擧にのぞみ、自由黨の半分以下である百五十万弗が總選擧費用。候補者一人當りはざつと七千弗見當しかしこんどの大進出で、あちこちから『寄附』申込みが殺到しているというから有難い話である。

△シーシーエフや社信黨の選擧軍資金は全く比較にならぬほど少い。シーシーエフはざつと二萬弗の軍資金で、一人當りの候補者の使つた金額は八百弗から千弗まで。選擧法で各候補者は一人當り二千弗以下の選擧費となつているが、外面からの援助はいくらうけてもよいことになつている。

はなし

△十八日(火)午後十時にトロンテレビ放送局は「エキスプローレーシヨンス」と稱するプログラムで最新風靡りの建築「ゼオデシツク・ドーム」について說明する。また二十二日(土)夜の「ウエーン・アンド・シユスター・ショウ」には勝川、宇田嬢らが出演の豫定。△天皇の御乘馬だつた「初雪」は五月二十八日に馬齡二十三で死んだことが今週發表された△いよいよピクニックシーズンである。日系團體のピクニックも每週末のように行われるが、グラウンドの紙片すけだけは忘れぬように互いに注意したいものである。

NISEI WOMEN'S CLUB

The general meeting of the Nisei Women's Club of Toronto will be held this Tuesday, June 18 at the Japanese United Church, 701 Queen West, at 8 p.m.

The Fast Group under the leadership of Mrs. Kozy Adachi has planned an enjoyable evening of social get-together before we disperse for the summer months. The club's annual picnic has been set tentatively for Sunday, July 14, and the place will be discussed at this meeting.

The annual Spring Tea held on May 11 was a grand success thanks to the full-hearted co-operation of all the members who worked tirelessly for weeks preceding this affair. And of course, gratitude is extended to the public who came to make this success possible. Some of the highlights of that evening were a bon odori by some of the members in their colorful kimonos, classical odori and piano solos, a talk on the Japanese Boys' Festival, and the grand finale a tableau on Mothers' Day which brought great applause. —K. Believed to be the only Oriental crew flying the CF-100, Flying Officers Chin and Sakamoto are a senior team of 432 Squadron who have been flying together since January.

First Oriental MP

Aside from the upset of the Liberal party's 22-year-old mandate, the significance of last Monday's general election lies in the success of Douglas Jung, 33-year-old Chinese Canadian lawyer from Vancouver.

Mr. Jung became the first Oriental Member of Parliament in Canada, thus marking another milestone in history, especially of importance to Canadians of Oriental descent.

Oriental citizens may expect him to devote his efforts to the advancement of their cause, but Douglas Jung was elected to the House of Commons as a Canadian, a representative of the Canadians particularly in Vancouver Centre, and should be expected to serve them as such.

But the very fact that a Chinese Canadian was nominated as a candidate for parliament, and even more notable, elected, says a great deal for the democratic principles of this country, and should be enough to serve as an incentive for the Nisei to make greater strides in the political world.

A Nisei politician would certainly arouse some of the more politically apathetic Japanese Canadians. Canada needs people with courage and perseverance such as Douglas Jung. More power to him.

Racial Equality Is Inevitable Pattern

MONTREAL. — "Nothing can stop the breaking down of racial barriers," said Mrs. W. T. Mason, president of the National Council of Negro Women, a coordinating body which heads up some 850,000 women in 111 local and national Negro organizations throughout the United States.

"It is an inevitable pattern of evolution. Just as sure as slavery died, just as sure as free education came, so too will come complete racial equality and understanding. Who wants to stand in the way of progress?" reasons Mrs. Mason. "Who wants, in this century when so much that is wonderful and exciting is happening, to be accused of holding back the wheels of progress?

"You know," she continued, "those wheels have a way of crushing anyone who gets in their way."

In Montreal to attend the International Council of Women Triennial meeting, Mrs. Mason pointed out that there are many devoted women, both Negro and white, working quietly and without fanfare in even the most traditionally Southern States to bring about better understanding between the two races.

"You don't hear about them," she said. "They are overshadowed by the extremists and the publicity-seekers. But each one is quietly and determinately working to build her own little bridge to better understanding."

Miss Nagiko Sato of Japan was one of the 500 delegates at the meeting.

Occupation—AUNT

ONE of my very dear friends can hardly wait until she becomes an aunt. It's going to happen any day now, and she's preparing for that time; dreaming all those sentimental dreams about aunthood. She's a perfectionist, and like a perfectionist, she came to me for advice—I being blessed with more than [illegible] share of nephews, nieces and if one can call them such, grand-nephews.

A successful aunt, I told her, without mincing words, must have means. A good-sized income will help, of course. A favorite aunt is the one who can remember birthdays, [illegible] out of a pocket, lolly-pops from another, and provide all those little extravagances that the fathers and mothers cannot provide. In fact, if your relatives tell their offsprings to "Go ask A[illegible]", you're good aunt material.

A successful aunt must be prepared to be a graduate nurse, floor mopper-upper, diaper changer and contortionist. It's all in a day's work to have one of your relatives call and ask you to baby-sit. Usually, the little darling is a perfect angel, but you just happen to be called in on one of those rare days when he has the tantrums. And the telephone will ring, the doorbell will clang, the pot on the kitchen stove will boil over, and the toast will just have to be basted—and Junior, bless his little heart, will have just disgraced himself on the living room rug.

A successful aunt must be in A-1 condition with the additional stamina of ten work horses. She'll be called upon to perform some very impossible feats, and unless she is willing to jump like a rabbit, take elevation like a mountain goat, and hop like a sand flea, she might as well call it a day, and leave auntship to someone else who is crazier than she is. If she's willing to knock herself out trying to outdo her young charges, then she's got what it takes. If you can pretend you're an aeroplane and can propel a youngster through space to a safe landing, if you can be a horse while he or she digs a pair of feet into your ribs, pulls your hair out by the hanks, and shrieks in your ear without causing you to lose your equanimity, then you're an aunt made-to-order, suitable for all the wear and tear of aunthood.

A successful aunt must possess the wisdom of the gods, the information of a Webster dictionary, the imagination of a child and a flair for spinning tales which outdo even Andersen and Grimm. You will be on trial all the time, called upon to answer such profound questions as "Does God live in the sky?" "Does His house hang in the sky?" "How does it hang, Auntie?"

Being a successful aunt is a life-time job, I know. When four little boys write to Santa for "shoes just like daddy's", I have frantically juggled my finances trying to reconcile $40 for four pairs of little boy shoes. I have been driven well-nigh crazy with concern by my wee niece who will often as not sit down in the middle of a city dump in a hand-smocked yellow dress for which I have foregone several interesting jaunts, just to dribble sand over her fat little knees or to trace an army of ants as they scurry for shelter. The concern was not over my niece, I assure you, but for that precious hand-smocked frock. I have fought off sleep while an imaginative nephew poked his finger in my eye to insist, "What happened to Sambo?" simply because he considers me the world's best storyteller. And I've slunk home aching in every bone because I was too stubborn to call "quits" after half an hour of horseplay and perhaps too weak-minded to resist the wee Princess' dimpled "Please auntie, aeroplane please. . ."

But there are compensations. When the oldest nephew, who is just discovering that his teacher has pretty legs, tells his mommy very definitely that "Auntie Cindy is pretty", or when the littlest niece, only 26 months, greets me with a hug and says "Auntie come. . ." to show me her collection of caterpillars, or when the roughest, toughest one says rather awkwardly, "I like you. Let's play cowboys!" or when the frail one pens me a Valentine in his strange, brave wee scrawl, I know I wouldn't change places with anyone else in the world.

Yes sir, being a successful aunt is a full-time occupation.
